## **News Release: For Immediate Publication**

### **Boating Safety Course**

The U.S. Coast Guard Auxiliary is already thinking of spring. Hopefully the ice will be melting soon out on the lake. In order to get ready for the upcoming boating season, the Coast Guard Auxiliary is adding boating safety courses for our area. Flotilla 15-10 will be conducting an About Boating Safety course on Wednesday, April 15th and Thursday, April 16th at Lake Mohawk Country Club. A second course will be added for May 12th and 13<sup>th</sup> with the same class times.

This course covers all subjects required for the issuance of the New Jersey State Boating Safety Certificate and is taught by U.S. Coast Guard and N.J. State Police certified instructors. The course will run from 6:00 to 10:00 PM each night. Attendance at both nights is required for certification. The cost is \$65.00 per person. Pre-registration is required. Please contact Annie Magliano at [amag62@aol.com](mailto:amag62@aol.com) for registration and further information or visit the website at [www.cgauxiliarylakehopatcong.com](http://www.cgauxiliarylakehopatcong.com).

*The United States Coast Guard Auxiliary is the uniformed volunteer Component of the United States Coast Guard created by an Act of Congress in 1939. The Auxiliary, America's Volunteer Guardians, supports the Coast Guard in nearly all of the service's missions.*
